

- ✓ Adhesion
- ✓ Coverage
- ✓ Penetration
- ✓ Droplet Management
- ✓ pH Reduction
- ✓ Crop Safety

With **LI 700**[®], you get more from your pesticide investment. **LI 700** is a non-ionic penetrating surfactant designed to enhance the performance and reliability of foliar applications.

With **LECI-TECH**[®] technology, **LI 700** manages application risk by optimizing droplet size distribution and through the reduction of driftable fines.

LESS Drift, MORE Coverage, BETTER Penetration
